

Re: Centennial Ski/Snowboard Club -2019

The Centennial Ski/Snowboard Club gives students at Centennial Middle School an opportunity to take lessons at their skill level (all levels are welcome), at Telluride Ski Resort, for a significant reduction in cost. The cost includes lift tickets, rentals, full-day group lessons and transportation. This is a change from last year – lessons run all day, and there is no reduced price for students who don't need rental equipment, or who have season passes. Only students enrolled in the program and participating in the lessons may join. Telluride **does not** accept season passes.

****Session Dates: Fridays- Jan. 11th, Jan. 18nd, Jan. 25th, 2019**

****Time: Busses leave from Centennial at 6:45am and return around 5pm**

****Cost: The total price for all sessions will be \$200 + \$40 to cover transportation. Lunch is also available at a cost of \$35 for all 3 days (or you may bring your own lunch). The price includes all lessons and required lift tickets. The total cost is \$240 for all three trips (\$275 with lunch provided).**

All forms must be filled out, along with the full payment and returned to the office no later than **Monday, October 22, 2018**. Telluride Ski Resort has set this deadline and therefore **no late registrations will be accepted**.

****All students must wear a helmet.** Helmets can be rented from Telluride Sports along with the ski gear. **Students will not be allowed to participate if they do not have a helmet, as set forth by school district policy.**

****For additional questions, please contact Lisa Knight at 249-2576.**

Please sign below if you would like your child to participate in this program. By signing this form you are agreeing that your child will participate in this program. Full informational packets will only be given out to students when this form has been signed and returned to the office.
